

Salem Eagle Beak April 2016

Bothers and Sisters

For the last 3 years I have worked on the Eagle Beak. This may be lengthy, but please read in its entirety. As this mainly effects those who receive their newsletter via postal mail, please read even if you receive via email.

I would like for you to understand how things should work in a perfect world... The deadline for submission of items into the Beak is the 10th of every month. The newsletter gets to the printing company by about the 15th of every month to ensure that there is time for printing and mailing. You would receive your newsletter prior to the first of the month. That is perfect scenario....

In reality, rarely is anything submitted by the deadline. It is not uncommon to receive requests *after* the 20th. When things aren't submitted timely, all other deadlines are effected. Then, you add in issues we do not have control over including the outside printing company and the postal service. Over the last several months I know that many of you have not had your newsletters on time. For February, the newsletter went to the printers on the 18th and as of the 18th of March, many of you have still yet to receive it. Not only is this costly to us to send to the print and mail, it is costly to the lodge when people don't know about events due to the delay in getting the newsletter. This also creates many calls to the bar. Our bartenders and our Secretary are inundated with phone calls asking about their newsletter, asking about what bands are playing, asking about events, etc. Something needs to change.

I do all I can to make sure that the newsletter goes to print on time. Contrary to popular belief, I do have things I do outside of this Club. I have a family. I work full time. I have unexpected situations that arise. Yet, I know I have to get the Newsletter out on time or it spirals from there. It is also a huge slap in the face to myself when I have spent a lot of time and effort to get this information out to our members and then you don't receive it.

If you receive your Eagle Beak via email, you receive about 1 week prior to the 1st of the month. If you have internet you can find the current, as well as past, newsletters on the website at foe2081.org. No need to email for a copy if you missed it. If you have a smart phone, you can save the link on your home screen and always have access to up to date information.

As much as I would like to pass the newsletter on to someone else, that does not solve any problem. Although we have issues with people submitting information for the Beak, I see the huge delay with print and mail.

I would like to see us save money on printing and postage by only sending out email and/or allowing you to get it off the website. We spend roughly \$400 a month on print and postage for those that do not have email. I would like for our members to be proactive in getting copies to their friends that do not have email or internet. We can have copies available at the Lodge for those that are unable to get it by other means. Come in and have lunch or dinner and grab your Beak! I will make sure that there are copies 1 week prior to the first of the month. Please DO NOT call the bar and ask if it is available. It will be!

Also, please keep your Beak handy and refer to it for events and dinner specials. Please be courteous of our bartenders' time and try to cut back on unnecessary calls to the Lodge that can be addressed by looking at the calendar.

At anytime someone can submit events to salemeaglebeak@gmail.com. These can be sent out via email, posted on the website, and put on our events TV.

I always appreciate feedback! I would like to hear from those that get via postal mail and what your thoughts are. If you live out of town, I am sure we can arrange to have a newsletter sent to you. If you live in town, come and support the Club at least once a month and come get your Beak!

Thank you for taking the time to read and understand my concerns!

Salem Eagle Riders #2081

Your Eagle Riders are busy raising monies to be able to make a generous donation to our charity again this year. **We are selling tickets to raffle off a Traeger Grill.** The tickets are \$5 each and we will sell until 200 tickets have been sold. Locate a Riders member to purchase your ticket. Our other current fundraisers are 50/50 on meeting nights, Eagle Passports for \$7 each, and Eagle lighted caps for \$20 each. All proceeds of our fundraising efforts go to our charity, Camp Taloali. **We are actively seeking new members, everyone is welcome,** and you don't have to have a motorcycle to join. Please feel free to come see what we are all about. **The Eagle Riders Club meets on the 3rd Friday of each month at 6:30pm.**

MUSIC SUBJECT TO CHANGE

A message from Worthy President Carmen Zimmerman

I know that we are in the midst of many potential changes right now. What better time than now to get involved and make a positive impact?? Nomination of Officers for the new year will be held at the last meeting in April (the 26th). You must either be present to accept a nomination or you must have a letter submitted to the Secretary prior to the meeting about the office you wish to hold.

If you are interested in being an Officer, please consider the duties of that office. If you want more information about a particular office, see me or another officer. If you are interested in being a Trustee, please sit in on the Trustees meetings, talk to them, and get all the information possible before making a decision. I do not say this to discourage any of you, just to be informed so you make the best decision to fulfill your year in office.

Reminder, you cannot go through installation if you are not nominated at the meeting 4/26. If there are multiple people nominated for an office, we will have an election the first meeting in May. Installation of Officers is planned for Sunday June 5th @ 3pm.

Many of you have heard, but I am NOT planning to run for President for the next year. I contemplated this decision for some time. I feel that I would be better used at working on committees, ie Membership, ByLaws, etc... I am by no means stepping down; I will be just as involved, just in a different capacity.

Please also mark your calendars for Sunday May 15th at 4pm for our Memorial Service we are required to do annually. It will be a joint memorial honoring our Brothers and Sisters we have lost since last year's Memorial.

At this time, there is no new news on the building. We should know more information by the 29th of March. I know this has been a hard process to go through. Trust the process and together we will get through this.

We always need help on the Activities committee and putting events together. Come and talk to us and let us help you get an event going! We meet the 2nd and last Thursday of each month.

Region II (our region) Meeting is the 8th-10th in Woodburn. It would be nice to see more Aerie Brothers participate in these meetings. Also, State Convention is in Pendleton this year June 22-26th. National Convention is in Reno July 18-21st. My husband and I have already booked our rooms! Would love to see some of you join us!

Happy Spring Brothers and Sisters! Look forward to seeing you in the Lodge!
