Worthy President

Brothers,

The visit by the Fraternal Order of the Eagles State President came on February 28. For those of you who missed it we had a great visit. Carl Wilson (State President) delivered the message that the organization must change or we (the Eagles) are facing extinction. We must change to get new faces and ideas. We are all growing older and need new energetic people to fill our shoes. Again the message even though it is hard we must change. Carl brought some excitement as he is multi-talented and sang with the band Bad Motor Scooter. April is nomination month for officers for the 2018-2019 year. Please make it known if any of you wish to run for office. Holding an office is a great experience and a great honor. Everyone should consider being an officer. Thank you for your participation in the events of the lodge. You being involved is greatly appreciated. We all need to continue to be positive – negativity is depressing! Please be positive and think about what you can do for the lodge. Anything at all is appreciated. We are continually looking for events so if you know anybody that wants a wedding, reception, celebration of life, family reunion, class reunion, company party, Christmas party or just a plain get together please consider the Eagles as a place to do that. We can fix dinner, cater events or all the necessary things you may need! We are still looking for donations for the roof. We still have a person willing to match \$1,000 donations. Please consider this so we can get a new roof and continue our march to stay in our current home. The entertainment committee has planned a lot of music on Fridays and Saturdays. This is a great cost and we must have participation for these to continue. I personally believe that the new bands are exciting and from discussing with those present you the members think so also. Remember to think positive. It will always make your day better!

Thank you Worthy President Jim Morgan

Madam President

March has come and gone, hopefully spring brings more sun than rain. I checked out the new bands, they are a great addition to the lodge. The Auxiliary also had the annual Easter bunny visit to the senior “children” at Windsor Health & Rehab. April 1st is Easter Sunday, if you plan on eating out, come down to your Eagle lodge for a wonderful brunch. Sisters, please consider coming to a meeting. I try to keep it to an hour and there have been some wonderful items donated that you could win while supporting the Charities. Speaking of charities, the February Heart Fund did well because of the efforts of Auxiliary Chairwoman Delilah and Aerie members who helped her.

Come see what we have to offer in April & May

MESSAGE FROM THE JUNIOR PAST WORTHY PRESIDENT

In case you haven't heard, we have regular bingo every Monday night at 6:30. Buy in is \$10.00 plus you can buy blackout tickets for \$1.00 each after you have bought the initial buy in. Blackout pays \$200.00. The games usually end around 8:30 pm, so it won't keep you out too late. As you have read in this bulletin many times, we are still in need of volunteers. The lodge is being painted and help could be used there. It won't take too much of your time and it will make you feel good that you did something for someone. If you can't volunteer, then how about donating some \$\$\$\$ to the roof fund. Even a few \$\$\$ will make a difference. If you were not at the lodge when they had Rib Eye Steaks you really missed a wonderful meal. We are trying to get our weekend music going again and on the 9th there was a pretty good turn out. Let's keep building on these nights. Starting in April we are going to get our jam sessions going again on the 8th and 22nd with Max Jones hosting 4/8/18 and Gary B. and Vern hosting on the 22nd. Let's turn out and support this activity as everyone involved is working very hard to coordinate all activities at the lodge.

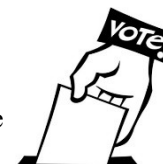

Remember that nominations for all officer positions are to be held at the last meeting in April with elections to be held at the 1st meeting in May. Fraternally, Ron Weathers

Attention Aerie and Auxiliary Members

Please do not give the door person(s) or bartenders a bad time when they ask to see your Official Receipt at the door or bar. They are doing their jobs. The door person (s) or bartenders is required by law to ensure that everyone that is in the lodge is a current paid member or a signed in guest. Delinquent members cannot be signed in as a guest. O.L.C.C requires that all members have their Official Receipt with them whenever they are in the lodge. Again, the door person(s) or bartenders are doing what is required of them. If you have a problem with this policy the trustees meet on Tuesday nights at 6 pm in the poker room.

Aerie Brothers we are in need of a Membership Committee and a Interview Committee.

The Membership Committee needs 3 or more Brothers and one chairperson. The Membership Committee explains to the candidate what the Eagles organization is about, the charity work we do, our different committees, puts on events to bring in new members and advertises through social media, discounts on hotels and motels, hearing aids, office Depot & Office Max. The committee make sure that the application is filled out properly.

The Interview Committee needs 3 or more Brothers and one chairperson. This committee Interview the candidates to make sure they are a good fit for our lodge. We have a list of questions to ask each candidate that is provided to us from Grand Aerie. The Interview Chairperson brings to the floor the candidates names to be voted on.

Brothers we need these two committees filled immediately. We need to build our membership back up to a good level to support our lodge. We need to be in compliance with the Grand Aerie Constitution and Statutes. If you are interested, please see Worthy President Jim Morgan or you can call the Aerie Secretary Ann Madsen and leave a message at 503-363-3212. I will get you in touch with the Worthy President.

Reminder on Volunteer Hours “PFO”

This month we would like to cover the importance of documenting your volunteer hours. These hours do a great deal to keep us a non-profit Lodge and off the tax roll. We have to prove we are “People helping people”. We are constantly in battle with the Government over this, so the more hours we acquire, the more ammo we have to keep our current status. These hours can be acquired by any help to the needy, disabled, less fortunate, even helping around the lodge, etc.... Examples; taking someone to a doctor, dentist, eye appointments, any type of appointment, errands, grocery, post office, shopping etc.... Any non-profit fund raisers, care giving, help someone around their house, sharing company, giving comfort etc.... To donations to the lodge, money, food supplies, raffle items, these all take travel time hours mileage, etc. Maintenance repairs, we have chairs to repair, painting, pulling weeds, the list is long. Forms are available to track your time are on the glass case in the entryway, please turn in monthly to a Aerie/Auxiliary Secretary
