Willamette Aerie & Auxiliary No . 2081

# The Eagle Beak

Salem, Oregon  
Published monthly  
April 2019

## Worthy President

We have a brand new chaplain Mark Knecht and 2 brand new trustees Reese Miller and Tom Moss. If you see them congratulate them and welcome them aboard.

We have nominations this month so if you are interested in being an officer next year please come to the Aerie meeting on April 16th and make an official nomination. We look forward to seeing every person that would like to serve.

In case you weren't able to make it to our special meeting last month we presented our checks to the Honor Flight. We teamed up with the Auxiliary and did a joint fundraising for this project. We were able to donate a total of \$6,000. This will fund trips for seven veterans to make the trip back to Washington DC to see all the monuments. It was a very exciting day to be able to be a part of it. I would like to personally thank all the members that helped by donating to make this happen .

Brent Collee, Worthy President

Remember we are Fraternal Order of Eagles  
"People Helping People"

As we are all getting more mature (or Older) in this and all lodges there are 2 things we have learned or heard in life.

1. Communication is the all important factor in relationships whether marriage or friendships. As we are aware this Big Word has been a common factor in a lot of problems in and around lodges. We would like to have each individual to think before spreading rumors. If we all take a part in this problem more feelings wouldn't be hurt and rumors wouldn't be spread. Speak to the person if you have a question about something. Don't rely on here say! Let's not be so hasty to judge one another. We don't live anybodies life but our own so nobody knows what happened or happening in someone else's life. If we could grow up and apologize over mistakes made & not so fast to write people up we could all get along better.

2. I know most people that go to a Dr. they tend to say get more exercise or go out & do something. I would like to suggest to everyone that if each of us donated 2 hrs. to the lodge each month we would thrive or least do better. There are a lot of simple things that need to get done. Such as: filling salt & pepper shakers, wrapping silverware, taking money at the door, & currently we are working on a list of simple things to volunteer for. Since this is our lodge we all need to take part in it to keep it going. No this doesn't mean even every week if we had more volunteers we could flourish & really turn this lodge around. Could we challenge each of you to please sign up for whatever little or big time or day would work for you.
