A Message from the Worthy President

June 5th was installation of officers. During that time I chose my Trial Committee as well as my Aerie Grandmother, Grandfather, Mother, and Father and gave some of my reasons for those choices. There are so many deserving that could also hold those titles that it was a very difficult decision, but here are those choices and a little about each.

Aerie grandmother - Erika Samperi has been a volunteer as long as I can remember. When she was a member of the Keizer lodge she would tend bar, wait on tables, do anything that needed to be done. She even helped my wife and I cook Taco's, Taco Salads and Hamburger every Monday and Thursday night for a year and a half. Since transferring to 2081, she has helped the Aerie by selling door tickets, and helping run Horse Race Bingo.

Aerie Mother - Peggy Rummel is an important part of the Auxiliary. She is often found cooking for the Aux. dinners, helping with decorating the lodge, performing in the programs like the recent "Everything Old is New Again", and just an all-around supportive member.

Aerie Grandfather – John Riches Many of you know John Riches and know that he has recently been not well but hopefully he'll be back at his post at the bar soon. Many of you however probably don't see what he has done for this lodge. He has loaned his skills as a retired electrician many times to this lodge; sometimes installing wiring where needed or checking the electrical situation on a proposed property. He supports the lodge by being a constant participant in functions like our Horse Race Bingo, or just supporting our social room. These people often go unnoticed and un-thanked.

Aerie Father – Scott Baker is probably the most social member and I mean that in a good way. He welcomes new people by including them in conversation, buying them a drink or both; He is often the go-to guy because he is most often here and he is always willing to help. He truly cares about and watches out for other members to make certain their safety is a priority. He runs the TV sports channel with great expertise; He has put on some great civil war and super bowl parties, spending much of his own money and pounding the pavement in search of prizes.

I have chosen Operation Homefront for my charity. Operation Homefront is a non-profit organization that provides emergency assistance for US military troops, the families they leave behind, and wounded servicemen when they return home. The organization raises funds to provide emergency, financial, and morale assistance to families while troops are participating in a [tour of duty](#). Our servicemen and women are not being taken care of by the very country that they are or have served for in the manner they should be but that is made a little easier by the efforts of organizations like Operation Homefront.

I would like thank the Auxiliary for the honor they bestowed on me when they selected me as their Auxiliary Father. I was totally taken aback when they said my name and extremely touched.

I still have committees to organize. Some of those that I need someone to serve on are By-Laws & House Rules, Finance, and Interview committees to name some. We still need a Treasurer. If you have an interest in helping with any of these please come give me your name.

Fraternally, WP Ron Weathers

Message from Auxiliary Madam President

My first month as President is over and convention is behind us. In July there are some exciting things happening. The charity for July is Cancer. Cathy Barnes will have exciting theme tables for members to purchase tickets on at Tuesday meetings. Last year she sent us all a tea bag to encourage donations. This year we will receive lemonade to share with her.

Tuesday, July 5, 2016, at 6 p.m. before our general meeting the Child Welfare Committee is having a baby shower for Simonka Place, a Women and Children’s Shelter. Items like diapers, hygiene products, powder, wipes, etc. are needed for needy mothers. As a fund raiser, Lorna Jensen is baking two pies to auction off at the shower.

July 11, 2016, the Auxiliary Dinner will be chicken and choices of various salads made by Auxiliary members. Also, we will have the dessert buffet. You are encouraged to bring your specialty salad or dessert. Dinner remains \$8 with a \$1 discount for 2 non-perishable food items.

Delilah Ginther is our hostess for the July 14, 2016, Auxiliary lunch. As hostess she will have entertainment for our participation. She is partial to a couple of games of Bingo. This is a fun lunch, NO business. We order from the menu and there are lunch specials.

Each year the Auxiliary President picks a charity to work with for the year. I have chosen the Central Oregon Veteran’s Ranch (COVR). They are just opening and we can make a difference. Two of our members did a tour of the ranch and were impressed. Carol Stanley will answer any questions. We will post a list of items that are needed on the bulletin board. There will be various fund raisers through the year, but September is COVR month. Watch for exciting happenings to come.

Cheryl Mushaney, Auxiliary President

Building Sales Update from Pam Rushing

We just did an email blast to over 100 breweris as well as sent it back out to brokers and other landlords. We have started making cold calls to all the breweris that received the emails as well as others that we didnt have email addresses for. I did have one group that is talking it over. It is actually three different breweris that would partner to purchase the building, but they have not really made up their minds what they are going to do.

Hopefully with this blast email and then the follow up calls we will get some more interest.

Pam

Year End Financials

The Lodge had positive income for the 2nd year in a roll. The Board would like to thank all members that help made this happen. Now for the detail & analysis of P&L numbers from Quickbooks.

| | | | |
|---------------|------------|---------------|---------------------|
| P&L 2007-2008 | -38,238.00 | P&L 2008-2009 | -28,807.00 |
| P&L 2009-2010 | -37,212.00 | P&L 2010-2011 | -9,330.00 |
| P&L 2011-2012 | -8,438.00 | P&L 2012-2013 | -52,317.00 |
| P&L 2013-2014 | -4,202.00 | | |
| P&L 2014-2015 | 8,302.00 | P&L 2015-2016 | 19,840.00 LAST YEAR |

As you see by the above numbers from 2007-2014 we lost \$178,544.00, I not believe that is an accurate number, I know lodge is losing money but not \$178K.

I know that we have paid on the average about \$800.00 per month to have the accounting done. I also know that most Secretary's / Trustee's. Do not know a credit from a debit or what is COS, with that said I will push forward on something needs to be said but I really not want to, but it needs to be said. The last time we paid for a secretary assistant (bookkeeper) cost was \$800.00 per month so I will use that number.

Starting June 2014 with the secretary approval I start the process of fixing the P&L and doing the bookkeeping. Along with that lodge stop paying for secretary assistant (bookkeeper). That alone save lodge \$9,600.00 in 2014-2015 if you were to add the cost back in profit would have been **(\$1,298.00)**. In 2015-2016 we had \$19,840.00 in profit, again the lodge did not pay to have the accounting done, that save the lodge \$9,600 again. If you were to add the cost back in the profit would have been **\$10,240**,

In the last the 2 years profit together is \$28,142.00 in that number is about \$19,200.00 of saving because we do not pay to have the accounting done. Add the cost back in the profit would have been \$8,942.00 2/3 of the profit for that last 2 years have come from not having to pay to have the bookkeeper. I know the some people do want me to do the bookkeeping, **this for the people that believe I should not be doing this task, in the bank sit about \$19,000 (that's a huge number)** from the direct work that I have done in the last two years. It's takes about 15 hrs per week that's about 1,500 hrs in the last two years. If you can and want to this task as I have without pay I will go fishing. The only problem is that is I really don't fish. This not meant to mean, it's just that some people just don't have clue.

Keizer Building

I still get members wanting to sell the Keizer building and lock the money down.

Here's your Info. She has leases this property for about five years now.

PGN leases the building for \$2000.00 per month with option to buy for \$400K and she pays all the taxes & repairs. Building cost us about \$280 a year for the fire line. None of the lease payment goes towards the option to buy, and she is the listing real estate agent if we are to list or sell the property.

Land / Building are worth 400-500k land is worth more than the building.

She has paid about \$150K in lease payments; if she were to buy property at 400k we would make 550k off the property.

The assets are locked down. Have to go the membership to use any of it. Better than a bank.

We get \$2000 a month on piece of property at time we could only sell for about \$350K, and was costing this lodge \$1,700 a month sitting empty.

Of the \$150K she has paid in lease payment we have used all of it to support this lodge. This has been a steady income stream for this lodge, I believe if was not for this deal we might not be here today.

Once the property is sold that's the end of the revenue stream.

Al Unwin
