**.St. Patrick's "Party like the working class Irish" Day
Wednesday March 16, 2016
Dinner 5:30-8:00pm and Band 8-11pm**

Now that the dressed up glitter night of Valentine's Day is over, it is time to dress down & go working class casual. The immigrant Irish had the dirty jobs like ditch digger, dock worker, cleaning woman, steel worker & miner, kitchen maid, factory worker, etc. and after a hard day would drink a pint or two. You get the idea, dress "working class casual" (or wear a leprechaun costume!) & come celebrate like the Irish with your Eagles PUB

Eagles 2081 - Celebrating Christmas with Windsor Senior Children - December 2015

Peggy sure got him to smile!

Ok, we'll pose

New gift hat..ha ha

This was our third year of Celebrating Christmas with our Senior Children at the Windsor Home. These gifts presented to each Senior was truly a joy to give as well as the joy we experienced as we gave each Senior their bag of gifts. We had quite a few Eagle members join in with our celebration. And, thanks to so many donations & volunteers, we were able to help our Senior Children to celebrate & enjoy Christmas 2015...

MUSIC SUBJECT TO CHANGE

A Message from the Aerie Worthy Secretary Ann Madsen:

The 2016 - 2017 Aerie annual membership dues are coming up on April 30, 2015. Grand Aerie has change the due date for all Eagle Members across the nation. Your due date will change to **May 31, 2017**. In the Grand Aerie Constitution and Statutes Section 71.3. All dues shall be paid in advance to the local Aerie annually. **They Shall become due and payable on May 31th, of each year.** You should have by now received your notice in the mail to pay your dues. Please use the envelope to send back your payment back. There is an early bird incentive to get your dues in by March 31. You will receive an early bird drink ticket. We are hoping by mailing back the envelope or putting the envelope in the secretary mail box on the wall, that this will take the high demand off the bartenders to take membership dues at the bar. There is a form for you to fill out to update our records. Under the Grand Aerie Constitution and Statutes **Section 71.10 Every member shall notify the Secretary, at once, of any change in his residence or mailing address, and notice sent to the last address furnished to the Secretary shall be deemed to be the proper and legal notice.**

Grand Aerie has asked that I get an email address from each member. Grand Aerie sends out information to Eagle Members through emails. Our Eagle Beak is sent out by email and many of you experienced the problems that we are having with the US Post Office and the cost for mailing has gone up. Your membership dues don't pay for the Eagle Beak. The other great thing about using the internet is our website www.foe2081.org. The Eagle Beak is on our website. We have a Facebook page www.facebook.com/salemeagles2081. We send out e-blasts about upcoming events and changes in events at the lodge.

I would like at this time to explain to you how your membership dues work by the Grand Aerie Constitution and Statutes. Many think that the dues money goes to the lodge, to put on the events, pay bills and maintenance which is not true and cannot be handled in this manner. Membership dues goes into the "Benefit Savings account" (Section 111.1, I'll list a few of the items the money goes too.) which pays for Grand Aerie and State/Provincial per capita tax, approximately \$8,000.00 per year (depends on how many members we have). To pay all the State and Federal Withholding Tax payments which have been deducted or withheld from employees' compensation. All employees Social Security and unemployment Compensation payments or withheld from employee compensation. Basically our hands are tied when it comes to the membership dues by Grand Aerie.

These next saving accounts is for income that we generate. The General Savings Account and the Social Saving Account which we as the members have combined as one is where we put the incoming income. What we make off of the kitchen, bar, raffle, events, rental of the lodge to members and the public, BINGO, etc....

Keizer Fund Account is the account that we put the payments made by the lease of the Keizer Lodge to make the loan payment.

Building Maintenance Fund Account is money that has been donated by members to help with maintenance such as light bulbs, paint, basic minor repairs, steam cleaning the commercial hoods in the kitchen. Donation drives for larger maintenance projects such as re-roofing, new carpet new commercial kitchen equipment.

Lottery Account Funds which is the account that we have to pay Lottery out of.

I hope this helps you understand better what your membership dues are used for.

I would like to see more members at our Tuesday meeting the at 7 pm. Every Tuesday of the month. If you don't come you must be very happy on what is going on in the lodge and have no complaints. Which I can't really believe.

Thank you Worthy Secretary Ann Madsen
