## A Message from the Worthy President

Elections will be held at the May 2<sup>nd</sup> Aerie meeting for any position where more than one nominee exists for a particular office. It is the responsibility of each and every Aerie member to elect officers that you feel can do the best job for the upcoming year. Please be here to vote for those individuals who you feel fit that description.

The target date for Installation of Officers is June 4<sup>th</sup>.

Congratulations to all those who received service pins at the ceremony held last month. I want to thank the Aerie Secretary Ann Madsen for standing in for me in my absence.

I want to thank all those who donated things to be raffled, helped sell tickets both on items and 50/50's or volunteered in some other way while raising money for the Heart Fund. I want give special recognition and thanks to Delilah Ginther of the Auxiliary for her effort in raising money once again this year by personally going to businesses seeking raffle gifts and sending letters asking for donations. Although both the Aerie and Auxiliary do a part to raise money for this project through buying tickets on raffles, 50/50's etc., it is the spear heading of Delilah that makes its success all possible. Together a total of \$2500 was raised and presented from Salem Eagles 2081 to a representative of the Salem Cardiac Unit and they were very appreciative of this donation.

Continue to support the remaining Funds that keep our Non Profit status as well as the Funds such as our Roof Fund which provide additional assistance to try and help us keep up with some necessary maintenance to our building.

We are trying to find a solution to combat the deterioration and to keep ahead of Mother Nature but as of yet it appears she is winning.

On May 30 there will be a joint officers meeting which is open to all members. This will be the last joint officer meeting of my term as Aerie President. Prior to the meeting which begins at 7:00 we have a potluck starting approximately 5:30. I would encourage members who would like to join us for the potluck to come and participate. It's a great way to get acquainted with some people you may not know and try a lot of different recipes from some great cooks. Then if you are interested in observing a joint officers meeting, how they are conducted and about items being discussed you are welcome to come into the meeting.

A thought to leave you with:

If you're scared half to death twice, are you still alive?

Fraternally, WP Ron Weathers

## Trustee Corner

Building update. There have been a number of questions about the building being sold. There has been an offer and a counter offer on the sale of the building. We are still in the process of negotiating and the building has not been sold yet. If you have any questions you are always welcome to come to the Trustee meeting on Tuesdays at 6:00 p.m.

### **A Message from the Madam President**

Welcome Spring!

This is Mother's Day month. On Mother's Day we offer our Auxiliary members breakfast. Served to us by the Aerie. Hope to see the Auxiliary there.

Along with our weekly meetings at 7 p.m. on Tuesday evenings we have several functions throughout the month: May 8, 2017, is the Auxiliary Dinner. For \$10 you will get Chicken and rice, vegetable, salad and home baked desserts. We start serving at 5:30 p.m.

May 11, 2017, is the visitation to the President's Charity, the Central Oregon Veteran's Ranch. Any questions please contact Carol Stanley.

May 11, 2017, is also the Auxiliary no-host lunch at the club at 11:30.

There are many other functions through-out the month. Check the calendar in the lobby of the club.

May is my last month serving as president of the Auxiliary. I have made many new friends and have suffered personal loss. But I have enjoyed my time with the Eagles. This is a supportive group and I am proud to be a part of it.

Cheryl Mushaney, Auxiliary President
